Dear Sir

I'm writing to you on behalf of QUDROID SYSTEMS, a Tech company that has shown professionalism and competence in delivering quality IT services and solutions. We'd love to be considered for the website development, online payment/ registration of courses system and virtual hosting setup for the institution. Our organization is the only one of its kind that ensure the top-notch experience to offer a satisfactory service. Our previous projects have made many positive impacts:

- a. Crypto exchange Platform web software (Help3 Organization,2021)
- b. Human Resources Management System (current Project at The Federal Polytechnic, Ile Oluji, current project)
- c. Webometric training for staff (The Federal Polytechnic, Ile Oluji,2023)
- d. School Result Management System (Redeemers' Secondary School, Kaduna,2022 till date)

Our proposal for this project is attached to this letter with a comprehensive details and cost breakdown for your perusal. However, for the sake of brevity the cost of the project is stated below.

- a. Total cost for a year ~~₦~~ **430,000**
- b. Total cost for a year ~~₦~~ **530,000**

We hope that you consider us for this project. We feel our company will once again will have the privilege to make impact through the execution of this project. I'd be happy to answer any questions you may have about our project, and I'd love to meet in person to discuss further technical related information.

Thank you for your time.

Best regards,

Eliab Ilemobayo,
